Dear Brethren

I have come
up from Town just in time
to say a word before the
messenger returns to the Ms.

I have been on board
of the "Kingston" & received
one parcel of papers wh.
I forward. There are others
but the Capt. was not
on board & they could
not be found. I will
get them.

Thank you Bro. P.
for the letter sent.

Now we repeat our
invitation for both of you
to come & see us next week.
